Multidisciplinary Team

- Patients
- GPs
- Commissioners
- Rheumatologists
- Orthopaedic Surgeons

Our work

OFF Group (osteoporosis and fragility fractures)

OA Group

Self-management (cross-disease working group)

IT stream

Our progress and plans

- We are working towards producing a Single Point of Access web portal for MSK information
- For use by patients, clinicians and researchers
- Will collate links to information including
 - Referral pathways (with a long-term aim of having one pathway across Bristol)
 - Patient information through relevant charities and NHS Choices
 - Research projects actively recruiting patients
 - Services available such as podiatry, orthotics, physio
