

FEEL IT FESTIVAL

17 - 20 NOVEMBER 2016

CIRCOMEDIA
PORTLAND SQUARE
BRISTOL

**FOUR DAYS OF EVENTS INVESTIGATING PAIN,
BREATHLESSNESS, AND OUR EXPERIENCE OF BEING HUMAN**

A weekend long festival weaving together research from the University of Bristol with explorations by visual artists, dance and theatre-makers, poets, aerial performers and musicians...

Experience cutting edge performance including newly commissioned works, get your hands dirty with interactive workshops and installations, debate with experts on the culture of pain in sports, breathe deeply at a Buddhist meditation workshop, bathe in choral work featuring soloists from the Brabant Ensemble, and immerse yourself in a host of screenings, talks and exhibitions exploring themes from domestic violence to the history of asylums.

Plus, enjoy food from Bristol's Scoff and Relish and a licensed bar and bookshop.
