

Healthier Together

Improving health and care in Bristol,
North Somerset and South Gloucestershire

Sustainability and Transformation Partnership

Co-Design of a new Integrated MSK Model
Gemma Artz

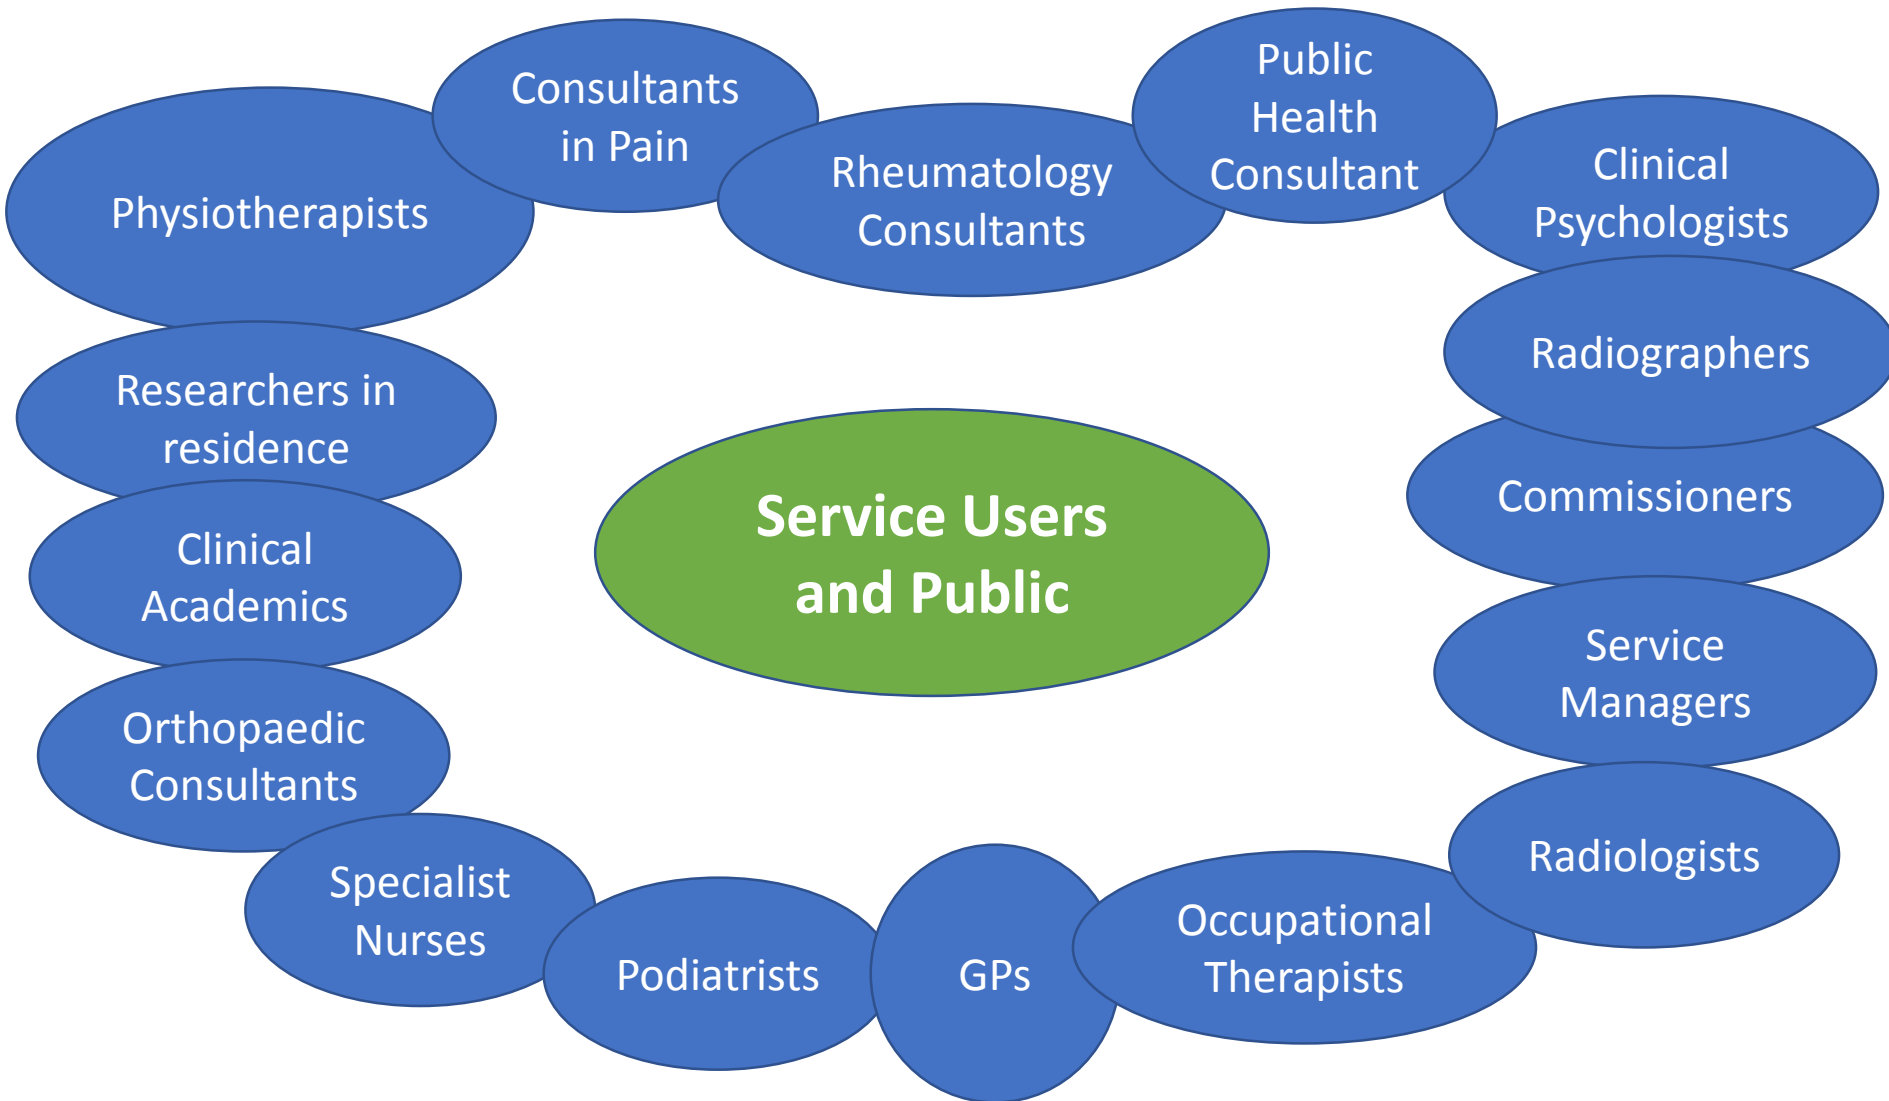

Musculoskeletal Disorders Background

“Greatest cause of
disability”

Preventable

Who is involved?

Current pathway: it's complicated

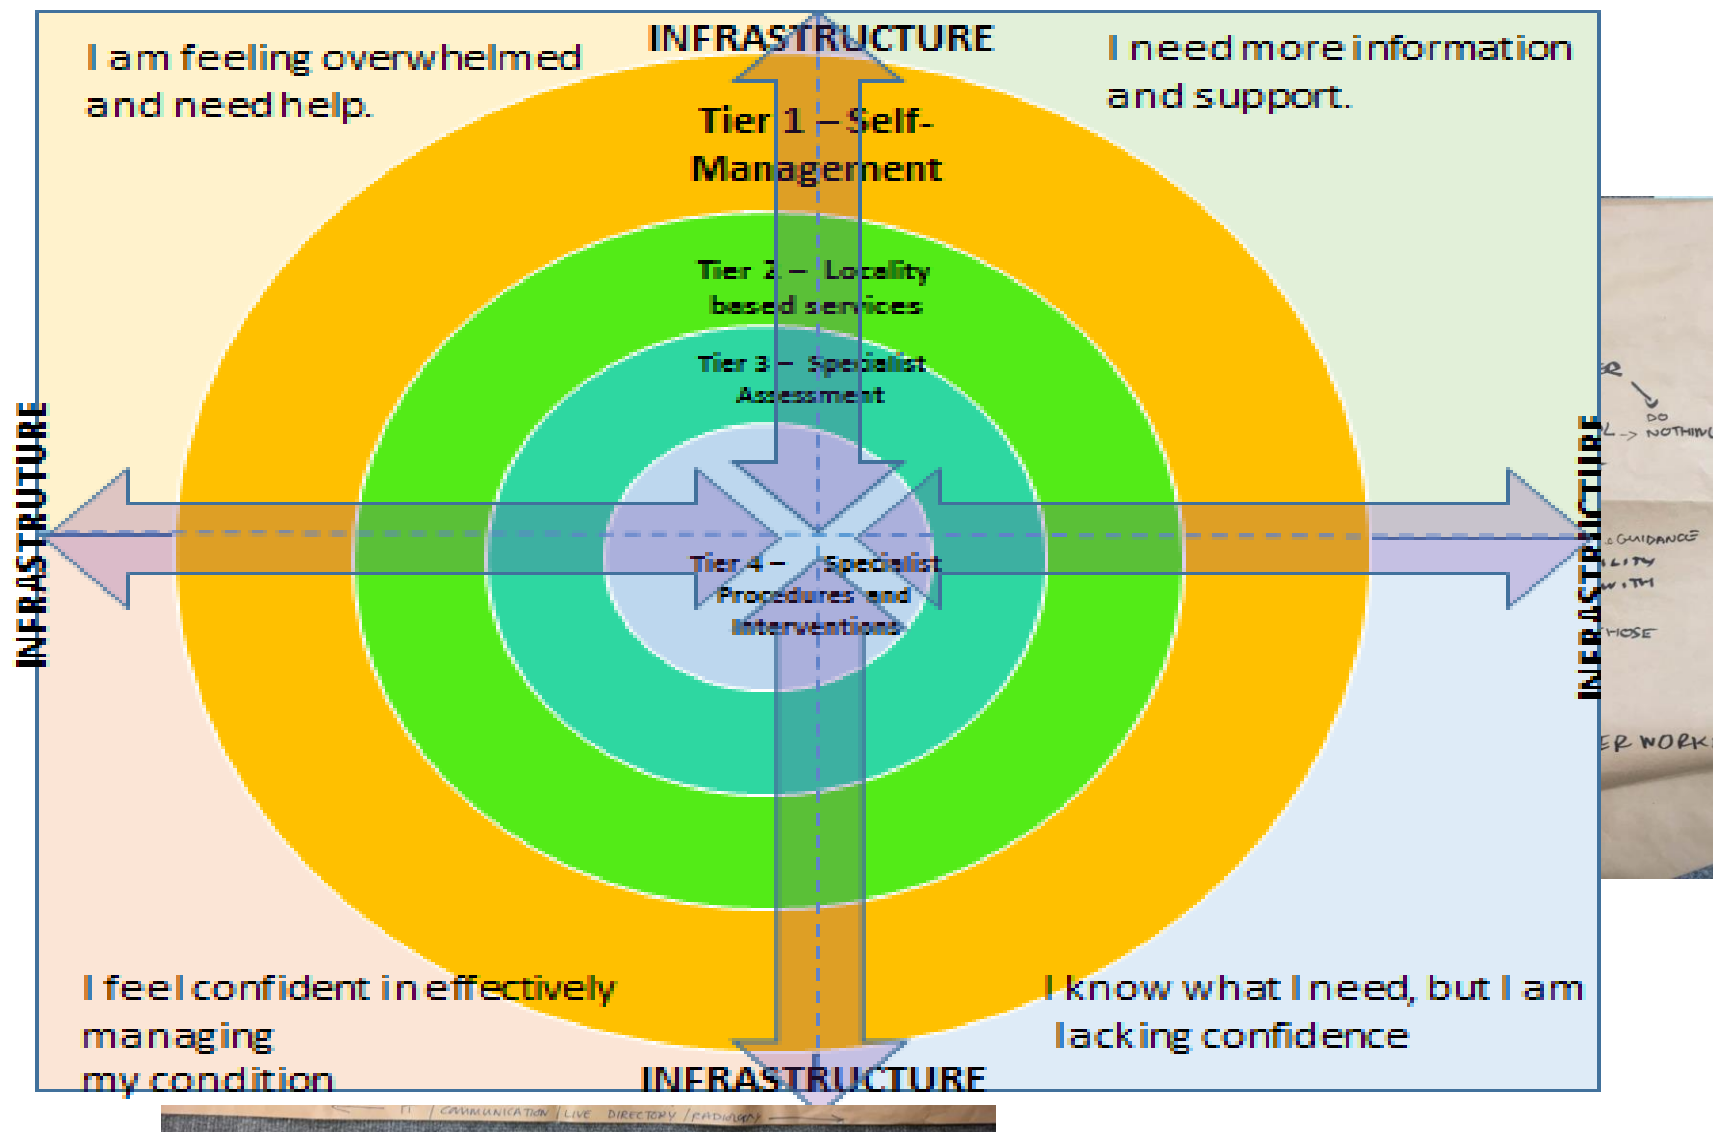

How we co-designed a new shared model for MSK (1)

**Bristol Health
Partners**

How we co-designed a new shared model for MSK (2)

How we co-designed a new shared model for MSK (3)

I know what I need but
I am lacking in
confidence

I am feeling over-
whelmed and need help

Tier 2 Locality Based Services

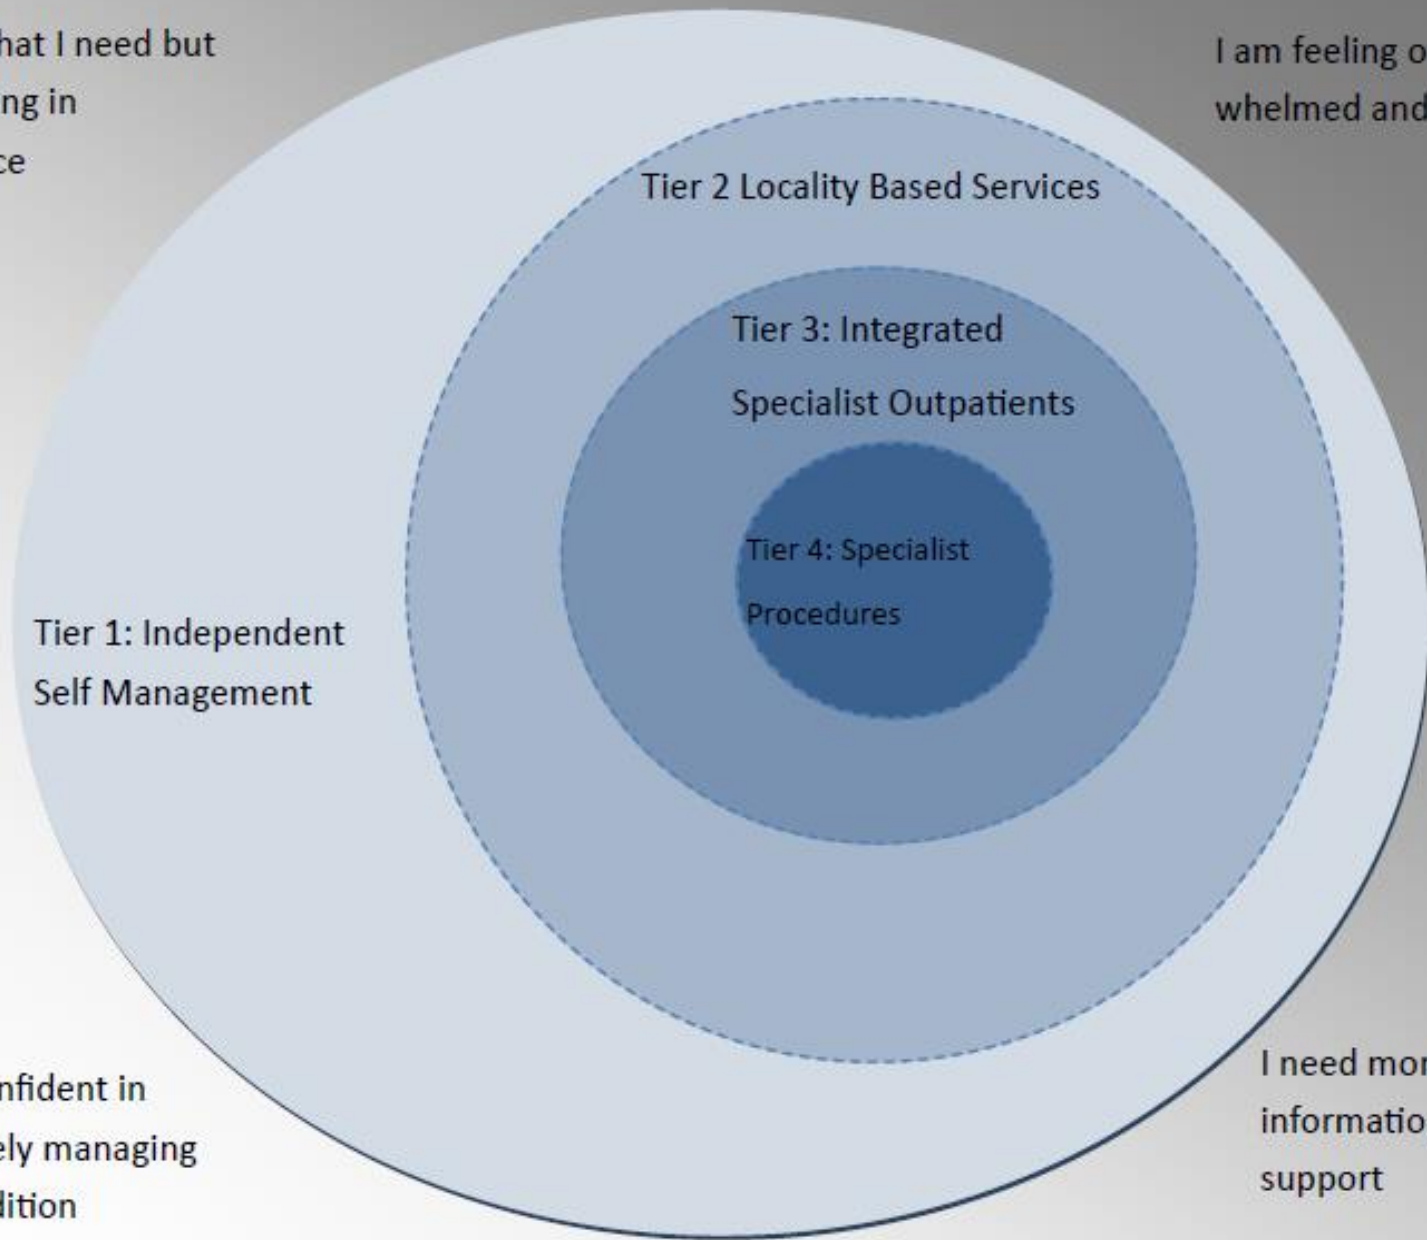

Tier 3: Integrated
Specialist Outpatients

Tier 4: Specialist
Procedures

Tier 1: Independent
Self Management

I feel confident in
effectively managing
my condition

I need more
information and
support

Summary

Co-Design

Established groups

Partnership working

Thank you
